# Theme

Navigate to and select **Theme**.

The screenshot displays the 'Theme' configuration page in the Entrust system. The left sidebar contains a navigation menu with the following items: Dashboard, Credentials, Credential Designs, Enrollment Designs, Mobile Flash Pass Designs, Printers, Print Queue, Bulk Operations, Administration (expanded), Members, Resources, Settings, Reports, Customization (expanded), **Theme** (highlighted with a yellow arrow), and Email Templates. The main content area is titled 'Theme' and includes a breadcrumb 'Home > Theme'. The top right corner shows the user 'Ramiro Ceja' and the Entrust logo with 'Adaptive Issuance™ Instant ID'. The configuration options are: Company Name (Entrust), Primary Color (dark purple), Accent Color (magenta), Link Color (magenta), Logo (with an 'EDIT' button), and Message of the Day (with an 'EDIT' button and a note 'No Message of the Day set.'). The URL at the bottom is 'https://training2.us.dev.trustedauthdev.com/#/theme'.

# Theme

The **Theme** page opens.

The screenshot shows the 'Theme' configuration page. At the top, there is a purple navigation bar with a hamburger menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Theme' is displayed, along with a breadcrumb 'Home > Theme'. The Entrust logo and 'Adaptive Issuance™ Instant ID' are visible in the top right corner. The main content area contains several configuration options: 'Company Name' (set to 'Entrust'), 'Primary Color' (a dark purple swatch), 'Accent Color' (a magenta swatch), and 'Link Color' (a pinkish-purple swatch). There are also sections for 'Logo' (with an 'EDIT' button) and 'Message of the Day' (with an 'EDIT' button). A preview of the logo and message of the day is shown on the right side of the page.

ENTRUST | Adaptive Issuance™ Instant ID

# Theme

To change the **Primary Color**, select a color from the color panel or enter the HEX, RGBA, or HSLA values to set a custom color.

The screenshot shows the 'Theme' configuration page in the Entrust user interface. The page has a purple header with a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the header, the page title is 'Theme' with a breadcrumb 'Home > Theme'. The main content area is divided into several sections:

- Company Name:** A text input field containing 'Entrust'.
- Primary Color:** A color selection tool showing a gradient from purple to black. Below it is a color picker with a rainbow spectrum and a text input field containing the hex value '#690070'. The label 'HEX' is visible below the input.
- Accent Color:** A solid purple rectangular color swatch.
- Link Color:** A solid purple rectangular color swatch.
- Logo:** A section with the heading 'Logo' and the text 'Set a custom logo for your account.' Below this is an 'EDIT' button. To the right, a preview of the Entrust logo is shown, consisting of the Entrust icon, the word 'ENTRUST', and 'Adaptive Issuance™ Instant ID'.
- Message of the Day:** A section with a text input field containing the text 'No Message of the Day set.'

# Theme

To change the **Accent Color**, select a color from the color panel or enter the HEX, RGBA, or HSLA values to set a custom color.

The screenshot displays the 'Theme' configuration page in the Entrust user interface. At the top, a purple navigation bar contains a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Theme' is shown, along with a breadcrumb 'Home > Theme' and the Entrust logo and 'Adaptive Issuance™ Instant ID' branding. The main content area is divided into several sections: 'Company Name' with the value 'Entrust', 'Primary Color' with a purple color swatch, 'Accent Color' with a color picker showing a gradient and the hex code '#B91665', and 'Link Color' with a pink color swatch. Below these, there is a 'Logo' section with the text 'Set a custom logo for your account.' and an 'EDIT' button. To the right, a preview of the logo shows the Entrust logo and 'Adaptive Issuance™ Instant ID'. At the bottom, there is a section for 'Message of the Day' with the text 'No Message of the Day set.'

# Theme

To change the **Link Color**, select a color from the color panel or enter the HEX, RGBA, or HSLA values to set a custom color.

The screenshot shows the 'Theme' configuration page in the Entrust user interface. At the top, there is a purple navigation bar with a hamburger menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Theme' is displayed, along with a breadcrumb 'Home > Theme'. The Entrust logo and 'Adaptive Issuance™ Instant ID' are visible in the top right corner. The main content area is divided into several sections: 'Company Name' (set to 'Entrust'), 'Primary Color' (a purple color swatch), 'Accent Color' (a magenta color swatch), and 'Link Color' (a color picker tool showing a gradient from purple to pink, with a selected color of #B91885). Below these sections, there is a 'Logo' section with the text 'Set a custom logo for your account.' and an 'EDIT' button. To the right of the logo section, the Entrust logo and 'Adaptive Issuance™ Instant ID' are displayed again. At the bottom, there is a 'Message of the Day' section with the text 'No Message of the Day set.'

# Theme

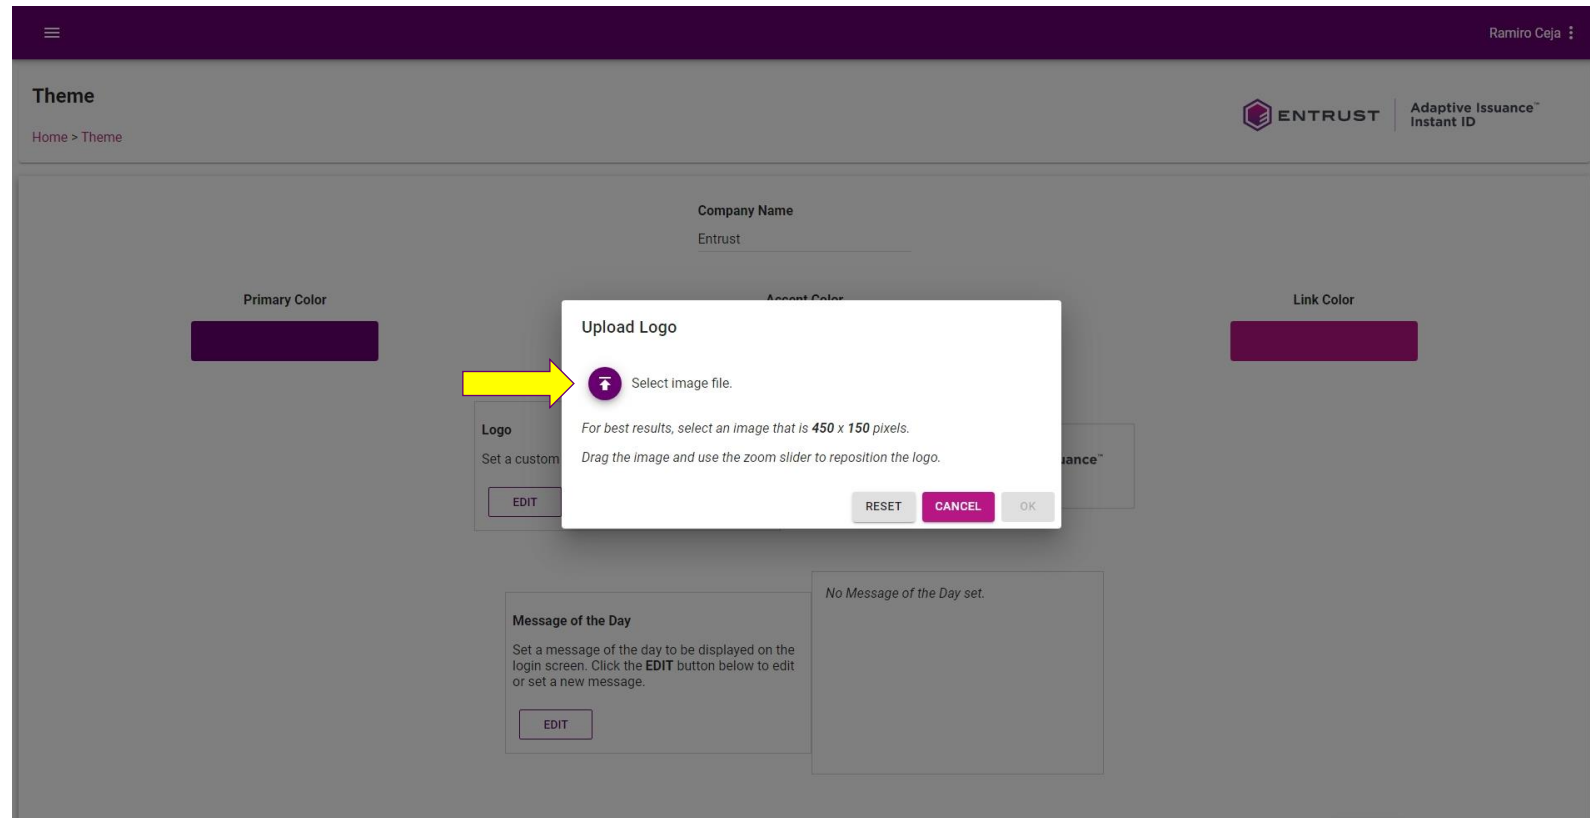

To change the logo that appears in the banner, click on **EDIT**.

The screenshot displays the 'Theme' configuration interface. At the top, there is a purple navigation bar with a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Theme' is shown, along with a breadcrumb 'Home > Theme' and the Entrust logo with the text 'Adaptive Issuance™ Instant ID'. The main content area contains several settings:

- Company Name:** A text field containing 'Entrust'.
- Primary Color:** A purple color swatch.
- Accent Color:** A magenta color swatch.
- Link Color:** A magenta color swatch.
- Logo:** A section with the text 'Set a custom logo for your account.' and an 'EDIT' button. A yellow arrow points to this button. To the right of this section is a preview of the logo, which is the Entrust logo with the text 'Adaptive Issuance™ Instant ID'.
- Message of the Day:** A section with the text 'Set a message of the day to be displayed on the login screen. Click the **EDIT** button below to edit or set a new message.' and an 'EDIT' button. To the right of this section is a preview box containing the text 'No Message of the Day set.'

Click on the **Upload** icon.

# Theme

Select the image file and click on **Open**.

**Note: JPG format is recommended. For best resolution, use an image no greater than 450 pixels in width by 150 pixels in height.**

# Theme

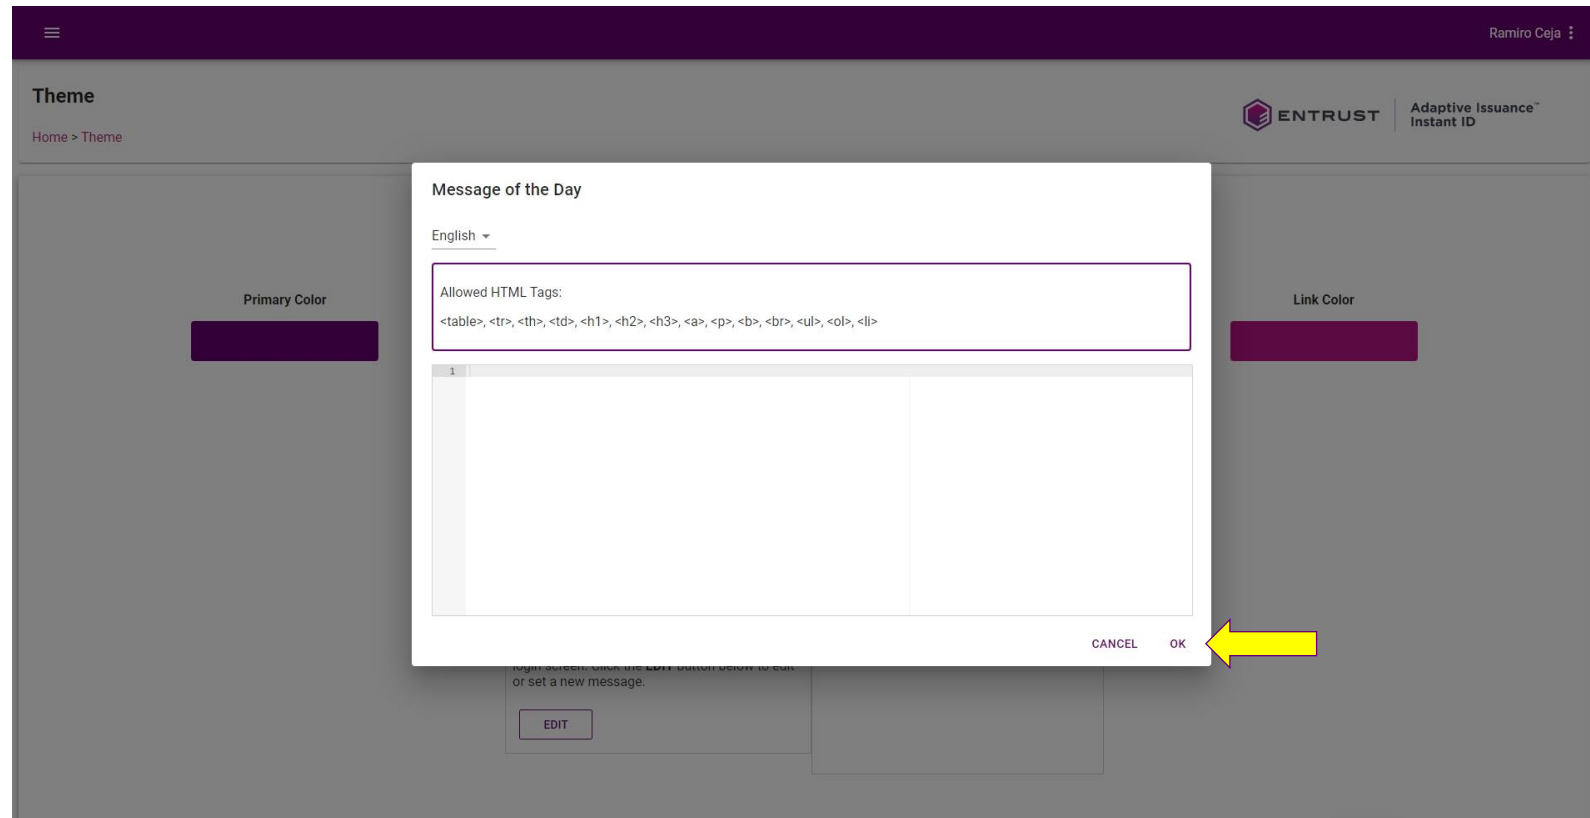

To add a message of the day to your login page, click on **EDIT**.

The screenshot displays the 'Theme' configuration page. At the top, there is a purple navigation bar with a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Theme' is shown, along with a breadcrumb 'Home > Theme'. The main content area is divided into several sections:

- Company Name:** A text input field containing 'Entrust'.
- Primary Color:** A color selection box showing a dark purple swatch.
- Accent Color:** A color selection box showing a magenta swatch.
- Link Color:** A color selection box showing a magenta swatch.
- Logo:** A section with the text 'Set a custom logo for your account.' and an 'EDIT' button. To the right, a preview of the logo is shown, featuring the 'ENTRUST' logo and 'Adaptive Issuance™ Instant ID' text.
- Message of the Day:** A section with the text 'Set a message of the day to be displayed on the login screen. Click the **EDIT** button below to edit or set a new message.' and an 'EDIT' button. A yellow arrow points to this 'EDIT' button. To the right, a preview box shows 'No Message of the Day set.'

# Theme

Enter your customized message using HTML tags listed under **Allowed HTML Tags** and click on **OK**.

# Theme

Click on **SAVE** to apply the changes.

The screenshot shows a theme configuration interface for Entrust. At the top, there is a purple header bar with a hamburger menu icon on the left and the user name 'Ramiro Ceja' on the right. The main content area is white and contains several configuration options:

- Company Name:** A text input field containing 'Entrust'.
- Primary Color:** A color selection box showing a dark purple swatch.
- Accent Color:** A color selection box showing a magenta swatch.
- Link Color:** A color selection box showing a magenta swatch.
- Logo:** A section with the text 'Set a custom logo for your account.' and an 'EDIT' button. To the right, a preview shows the Entrust logo and 'Adaptive Issuance™ Instant ID'.
- Message of the Day:** A section with the text 'Set a message of the day to be displayed on the login screen. Click the **EDIT** button below to edit or set a new message.' and an 'EDIT' button. To the right, a preview shows the text 'No Message of the Day set.'

At the bottom right of the configuration area, there are two buttons: 'RESET' and 'SAVE'. A yellow arrow points from the 'RESET' button to the 'SAVE' button.

# Theme

Click on **RESET** to revert the settings back to the default settings.

The screenshot shows a settings page for the Entrust theme. At the top, there is a purple header bar with a menu icon on the left and the user name 'Ramiro Ceja' on the right. The main content area is white and contains several settings sections:

- Company Name:** A text input field containing 'Entrust'.
- Primary Color:** A color selection box showing a dark purple color.
- Accent Color:** A color selection box showing a magenta color.
- Link Color:** A color selection box showing a magenta color.
- Logo:** A section with the text 'Set a custom logo for your account.' and an 'EDIT' button. To the right, a preview shows the Entrust logo and 'Adaptive Issuance™ Instant ID'.
- Message of the Day:** A section with the text 'Set a message of the day to be displayed on the login screen. Click the **EDIT** button below to edit or set a new message.' and an 'EDIT' button. To the right, a preview shows the text 'No Message of the Day set.'

At the bottom right of the settings area, there are three buttons: 'RESET', 'CANCEL', and 'SAVE'. A yellow arrow points directly to the 'RESET' button.
